Subject: support the airport growth

Hi

I have lived in Long Beach my entire life in the path of the airport. I support the airport development and expansion. This is one of the few remaining resources in Long Beach to be developed. We have lost many major employers and I do not think we should hinder the growth of this remaining opportunity. It is a pleasure to fly out of Long Beach but the terminals are in desperate need of improvement.

Rita Edwards, Pharm.D.
